December News

NWP testing is almost complete and Final Exams are almost done! The kids have been working hard. We have our preliminary data in from NWP testing and our scores are incredible! I would like to give a shout out to our Junior High students and teachers. In reading, the junior high had a 190% growth increase. In math, they had a 133% growth increase. This is outstanding growth numbers. We are thrilled and excited to see how hard these kiddos are working.

San Tan Charter School is excited to partner with the 9th Annual Eastmark Parkway Color Run and many other schools in our area: a portion of the Proceeds will directly benefit for all who participate and all who donate.
