March News

Hello Readvisories! I am sure the news has gotten out, but I wanted to make sure that I didn't miss sharing about leaving San Tan. My last official day will be June 30th. I have been truly blessed to be part of the San Tan Family for the last six years and leaving is not a decision that was made lightly.

There are not too many administrators that can say that they have been a part of building a school. When looked with starting the high school, I began to think about my experiences in high school, the good and the bad and then what my own children experienced and wanted to create something that I could be proud of, the children would enjoy and that had the feel of a high school, but the culture of a small school environment that helps students be who they are in an school where they feel loved, appreciated and accepted, all while focusing on learning. I hope that this is what I, along with my entire staff, have accomplished over the last five years. It definitely has been a roller coaster of a ride.

The next few months will be bittersweet for sure and I will miss the staff and students more than I can say. Thank you so much for allowing me to be a part of your child's school experience. I am overwhelmed with gratitude for each and every one of you.

Have a wonderful rest of your week!
