Odyssey of the Mind – Division 1**Thursdays from 3:50-4:50 p.m., Grades 3rd-5th, Cost: \$75**

Odyssey of the Mind is an international educational program that provides creative problem-solving opportunities for students. Team members apply their creativity to solve problems that range from building mechanical devices to presenting their own interpretation of literary classics. They then bring their solutions to competition on the local, state, and possibly event the world. Club fees helps pay for the competition, shirt, and supplies. Maximum number of students: 12

Odyssey of the Mind – Primary**Mondays from 3:50-4:50 p.m., Grades 1st-2nd, Cost: \$75**

Odyssey of the Mind is an international educational program that provides creative problem-solving opportunities for students. Team members apply their creativity to solve problems that range from building mechanical devices to presenting their own interpretation of literary classics. They then bring their solutions to competition on the local, state, and possibly event the world. Club fees helps pay for the competition, shirt, and supplies. Maximum number of students: 12

Robotics: Ev3 Mondstorms – by EduRoboTech**Tuesdays from 3:50-4:50 p.m., Grades 5th-8th, Cost: \$240**

New LEGO™ Education EV3 MINDSTORMS® Advanced robotic design and concepts.

This curriculum supports intermediate to advanced robotics students with a dual emphasis on programming and standards based on academic STEM concepts. Students will experiment with the robots motors, sensors, and programming to learn how robots really work.

San Tan Karate Club**Tuesdays from 3:50-4:30 p.m., Grades K-8, Cost: \$10**

Karate is a great way for kids to work out and have fun. While learning the importance of self-defense, kids will also develop respect, focus and discipline. Karate will also help to improve self-esteem by encouraging participants to use skills learned to be successful in an academic environment.

****This is a 4-week only club that will run September 2nd through September 23rd.**

Soccer Club**Thursdays from 3:50-4:30 p.m., Grades K-3, Cost: \$168**

Soccer Shots is a leader in youth soccer development for children. Our curriculum extends beyond physical activity by using simple, creative play activities that incorporate values like teamwork, encouragement, and cooperation. Soccer Shots: it's more than Soccer! Maximum number of students: 40

Storyteller's Theatre Club**Tuesdays from 3:50-4:30 p.m., Grades 1st-3rd, Cost: \$120**

Join us for creative theater play! Each club meeting includes acting games, costume/prop crafts and impromptu storybook plays. We'll cultivate rich imaginations by exploring exciting elements of theater like puppets, sound (imagine thunder from rattling cookie sheets) and visual effects (like rippling blue tulle for ocean waves). Having lots of fun and making friends is the primary goal and we'll end the season with a parent party! Spots are limited; visit <http://www.StorytellersTheater.com>. Maximum number of students: 10

Superhero's Drawing Club**Wednesdays from 3:50-4:30 p.m., Grades 2nd-8th, Cost: \$80**

Calling all Superheroes, girls and boys! Unite with the forces of creativity and hone your drawing skills with favorite comic book character projects. You'll go Batty for this Super

instruction that will spark your sense of Wonder so sign up in a Flash because spots are limited. Zoom on over to <http://www.SuperheroDrawingClub.com> for more information. Maximum number of students: 20

Technology Club

Monday's from 3:50-4:50 p.m., Grades 3rd-8th, Cost: \$50

Students will have the opportunity to experiment with a variety of technology including video creation, robotics, and programming. This is a great opportunity for the older students to experiment with different technologies and for younger students to get exposure to interesting and fun uses of technology. Maximum number of students: 30

Young Authors Club

Wednesday from 3:50-4:30 p.m., Grades 1st-4th, Cost: \$20

Students will have an opportunity to explore writing in many different genres. By the end of the club, students will have created a portfolio of their writings to present to the class. Snack will be provided.

Young Rembrandts Art Club

Fridays from 3:50-4:50 p.m., Grades K-6, Cost: \$110 (can be paid in two(2) payments)

Young Rembrandts is an enrichment program that teaches drawing, the fundamental skill of all visual arts to children in grades K-6. Our unique, proven method and step-by-step curriculum dispel the myth that art is a talent a child has or doesn't have, and demonstrates that art can be learned by all children. All supplies included. Right at school campus, right after school. (No snack provided). Maximum number of students: 20
