Maximum number of students: 20

Intentional Kids Program

Tuesdays from 3:50-4:50 p.m., Grades K-3rd Cost: \$133

The Intentional Kids Program engages your child with hands-on, creative activities, providing the tools necessary for cultivating the garden of their mind and heart. This program is designed to grow your child's Emotional Intelligence, by inviting them to turn inward and experience who and what they really are, connecting to the Power of Self, and the Power of Thought. Authentic expression of self lays the foundation for the natural enfoldment of your child's spirit and the discovery of their unique gifts and talents. Fostering your child's ability to differentiate between a positive response and a negative reaction, allows your child to consider their way of being, and choose the most empowering context. This program teaches your child how to make conscious and intentional choices, enabling them to experience the truth: love, peace, beauty, joy, and abundance govern not only the world around us, but more importantly, the internal world within. This program is a 10-week program, offered by little Minds. Please make checks payable to little Minds. Credit card also accepted via square. Please contact Ashley Gifford for further details. Maximum number of students: 10

Intro to Guitar

Tuesdays from 3:50-4:50 p.m., Grades 6th–9th Cost: \$135

Kevin King is proud to offer the first ever Intro to Guitar club at STCS! The goal of this club is to introduce your child to the basics of guitar and have them playing a couple of songs by the end of the semester. Topics covered will include posture and hand placement, tuning, notes, scales, chords, basic music theory, strum patterns, and song playing. **Students will need to provide their own guitar and bring it to class every week.** Individual results will vary depending on natural ability and amount of time spent practicing outside of class. Mr. King has been playing, writing, and teaching music for over 22 years and also offers private lessons for piano, violin, and guitar. When submitting payment, please make checks payable to Kevin King. Credit Card also accepted via square. Please contact Kevin King with any further questions at (480)335-4933. Maximum Number of Students: 15

Jr. Lego Club

Wednesdays from 3:50-4:30 p.m., Grades K-4th Cost: \$15

If you like to build fun things with Legos, then this club is for you! Each week we will build a new Lego creation based on a given theme. Come and join in on the fun! Checks payable to STCS. Maximum number of students: 25

Young Rembrandts Art Club

Fridays from 3:50-4:50 p.m., Grades K-6th Cost: \$110 (can be paid in two (2) payments)

Young Rembrandts is an enrichment program that teaches drawing, the fundamental skill of all visual arts to children in grades K-6. Our unique, proven method and step-by-step curriculum dispel the myth that art is a talent a child has or doesn't have, and demonstrates that art can be learned by all children. All supplies included. Right at school campus, right after school. (No snack provided). Club's first meeting is Friday, September 11th. Checks payable to Young Rembrandts. Maximum number of students: 20
