

*We went out and interviewed three students from two elementary classes and two secondary school classes. The students were asked how they show responsibility and what responsibility means to them. Their responses were then written down and are below in the article. I would like to thank the students who participated in this interview. The question we asked was, "How do you show responsibility, and why is it important?"*

*When we asked Ms. Gustafson's class these were their responses;*

- *"Doing what you're supposed to; it makes you a better person"*
- *"By showing respect; because people will trust you."*

*When we asked Ms. Stanfel's class they responded with the following;*

- *"Coming into class and working their hardest; so you can get work done and get good grades."*
- *"By doing your work; so you can have a great future."*
- *"Get there on time; it affects your future."*

**SANTAN  
CHARTER  
SCHOOL**

**SANTAN CHARTER SCHOOL**

- *“By getting your work done; so you can get things done.”*
- *“By showing respect; because people will trust you.”*

*We asked Ms. Simonton’s class and these were their responses;*

- *“Turn assignments in on time; you will use it forever.”*
- *“Setting a good example; People will trust you more if you use it.”*

*When we asked the teachers and staff these questions they responded with;*

- *“Consistent positive behavior; without responsibility there would be extreme chaos.”*
- *“By taking care of what needs to be done; Makes us better people and betters our society.”*
- *“Through work; it is important because they are teaching the future of America.”*

**At San Tan Charter School, we take responsibility as well as good character very seriously. And it is one of the things we pride ourselves on. Thank you for reading and have a great day.**

If you have any questions or concerns for Mr. Armstrong email him at [miarmstrong@santanacs.com](mailto:miarmstrong@santanacs.com)

## *Electives at STCS*

*San Tan has a great variety of electives. Electives are non-required classes that the students can choose at the beginning of the year to take either for the whole year or just a semester. At San Tan, we offer everything from art to keyboarding. Art is a great for the creative kids who like to express themselves through drawing and/or painting. In San Tans Art class kids will learn the principles and elements of sculpturing, painting and more, all while being able to create what they learn, as they learn.*

*As for keyboarding, kids will learn how to correctly and efficiently use a keyboard to their advantage and work at their best ability. This is a great class for kids that still ‘peck’ at the keyboard or kids who like critical thinking and challenging themselves. Another great elective choice is P.E. Physical Education is a great class for kids that can’t sit still during the school day and a great opportunity for them to get all of their ‘wiggles’ out. It’s also a great time for athletes to get a great work out, without having to take time away from home work at the end of the day.*

*This is our second year of sports here at San Tan and all of our teams have already performed very well. In our first year of tackle football at this school the Roadrunners have a great record of 2-2. There are many upcoming games in the future we hope to win (we will). Some of the schools we will play in the future are Sequoia Pathway, Desert Heights, and La Paloma. Hopefully we can keep this great record going and dominate anyone that stands in our way.*

*We also have a flag football team. The Roadrunners are fighting strong, but sadly hold a 1-8 record; we are at the bottom of the division.*

*The JV volleyball team is having a great season so far. We currently hold a competitive record of 3-5, and sit in the middle of the division. Our varsity team, however, sits right behind them with a record of 2-5.*

*So, most of our competing Roadrunners are doing great at showing the other schools what San Tan is all about. Hopefully we can get all of our teams in their A game, and we can represent San Tan the way we should.*
