

Dear Parents and Families:

Reading for pleasure inside and outside of school has real and long-lasting benefits. It unlocks the power of information and imagination and helps children discover who they are. Here's what you can do to help children develop stronger reading skills and a love for reading:

- Set the example. Let children see you read.
- Have a collection of books in the home. Update this collection routinely to keep pace with changing tastes and reading skills.
- Support our school's Book Fair. Allow your children to choose their own books to read.

Our Scholastic Book Fair is a reading event that brings to school the books kids want to read. It's a wonderful selection of engaging and affordable books for every reading level. Please make plans to visit our Book Fair and be involved in shaping your child's reading habits.
