15th**

Calling All San Tan Mathletes!

The Math Kangaroo Competition

is coming to San Tan Charter School on March 17, 2016!

- Don't delay in reserving your child's seat for the competition, open enrollment has already begun and spaces are limited!

What is Math Kangaroo?

Once a year, children from around the world compete in the Math Kangaroo contest. Math Kangaroo is internationally recognized for providing a contest where every child is rewarded for participating. Each child (grades 1 through 12) receives a t-shirt, surprise gift, and certificate on competition day.

Contest winners are eligible to receive awards, recognitions, scholarships, and much more at both the state and national level.

Thanks to donations within the State of Arizona, Arizona contestants have received a discounted tuition of \$15 this year.
