

NEW YORK TOWN-CHARTER SCHOOL STUDENTS

STUDENT REGISTRATION

2024 – 2025

Dear,

We are pleased to offer you the opportunity to begin the New Town Charter School registration process through Edmentum.com. You will be able to register your child (student(s)) and you will receive the registration packet without covering about having program. Once complete, you will receive a confirmation email as well as any fees and additional student payment needs.

We hope the below instructions will guide you through the new process. We are always available to answer questions by calling us at 800-235-0885. During Office Hours, email new@nycpsd.org and don't forget "Register" through the parental system. You may also email us at enrollment@nycpsd.org.

We look forward to your trust and involvement in our New Town Charter School community.

Respectfully yours,
