

Academic Summer Camp

Reading-Writing-Math

My name is Ms. Kelsey Donovan, and I am running a summer intervention camp to help students prepare for next year. I will be reviewing and helping students master skills needed for the up and coming school year. If you have any questions or concerns, please contact me at klong@santancs.com . I have listed some useful information about what the program will look like below.

Summer Camp Details

This program covers Reading and Writing in the morning and Math in the afternoon for our struggling students. Student are able to sign up either a half day or a full day per week, letting parents only pay for what their child will be able to attend. Students who attended a full day will need to bring a sack lunch. In this program children will review and master skills from the previous year, helping them succeed in the up and coming school year. Sign up while spots are still open!
