July News

We are continuing to prepare the school for the 400 students that will be here on August 1st. Please note that we will have special office hours during the next three weeks for professional development. The office hours are listed on the calendar items to the left.

Please take a peek at the Armstrong's Agenda as we have added the Counselor's Corner and the Roadrunner Recognition, highlighting our exceptional students and staff.

I can't wait to share this school year with you!

Ms. Armstrong

 To sign up please click the following link:
<https://www.signupgenius.com/go/10c054aa4ab22a6fc1-main3>

Feel Free to bring a friend!

Counseling Corner

The school year is quickly approaching and we have been working on schedules since returning from summer break. We are in the final phase of the process. Schedules will be available for pick up at our Main Event Socials, high school on July 23rd and junior high on July 24th. Every effort is made to honor the elective requests and I personally review each student's schedule to ensure accuracy.

It's not too late to sign up for High School AP, Honors or Dual Enrollment classes! If you are interested in signing up for these classes, please email me directly at btaylor@santancs.com.

AP/Honors/Dual Enrollment Offerings

AP Government & Econ	AP US History
AP World History	AP Chemistry
AP Physics	AP Biology
AP Literature	Honors English I & II
Honors Algebra I & II	Honors Geometry
DE College Algebra	DE Pre-Calculus
DE Microsoft Office Applications	

I truly enjoy helping your students achieve their educational goals! Thank you for trusting us with your child!

Brooke Taylor

Meet your new Secretary/Health Asst

Jennifer Madigan joins our San Tan Power Campus in the front office. Ms. Madigan is married and has two adult children. She comes to San

Tan with over 25 years of business/office and health care industry experience.

In her spare time, Mrs. Madigan participates in Cancer Walks several times a year. She is passionate about raising money for cancer awareness and a cure. She is currently writing a cookbook that encompasses her family's traditional recipes in hopes that this can eventually be a fundraiser to help battle cancer. One of the highlights of the book will be the recipe for her award-winning Turtle Cheesecake.

To spend any time with Jennifer is a treat. She has an infectious smile and is excited to get to know everyone. Please feel free to stop by and share our San Tan love with her.

I would be remiss to not shout out to Mrs. Mavis. Mrs. Mavis and her husband, Robert have fulfilled one of their lifelong dreams to move to Payson. We are thrilled for her and her husband and know that we will be seeing her on campus at future events. Best of luck, Mr. and Mrs. Mavis!

HS Laptop Checkout

Mr. Rissler and his wonderful team of technicians has been working tirelessly to get the high school laptops ready for this school year. We will be checking out laptops to students at Open House. In order to receive a laptop, students must have signed and turned in their Tech Agreement and have paid their Tech Rental Fee. I have attached the agreement for your convenience.

RoadRunner Recognition

Tyler Gustavason

Incoming freshman Tyler Gustafson was chosen this week for Roadrunner Recognition as a well-rounded student who naturally exhibits many of our San Tan Charter School values. Working his way to successfully meet his goals are a daily task in which Tyler feels secure given his involvement in extra-curricular activities including church, taekwondo, Feed My Starving Children and Leo's Club.

FUTURE DREAMS

"I see myself working to earn scholarships to study to become a doctor. My chosen field would most likely be dermatology."

MY MOTIVATION

"I've been fortunate to have some great teachers. In particular Mr. Hermann gave me opportunities to help out in the classroom as a leader which motivated me and Ms. Tischner is a very open teacher who has encouraged me to develop my passions and who gave me the freedom to pursue those things."

STUDENT SHOUT-OUT

"Jordan Lam is an example of a San Tan student who has inspired me because of how he gives everything he has to everything he does. He does all this while staying humble."

HIGHLIGHTED iLEAD VALUE

"We live in a time where many people want to pass the buck and place blame on others. I feel like it is most important to be **Accountable**, and take responsibility for ourselves.

Andersen Krc

Junior, Andersen Krc was highlighted this week by head football Coach Walker for his dedication and consistency to the school and football program throughout summer. Anderson has been driving daily from Ahwatukee and has not missed a practice or training throughout the summer. Anderson looks to make his mark in his junior campaign as a lock-down cornerback on the Roadrunner defense and as a receiver on offense.

FUTURE DREAMS

"I would like to have an opportunity to play college football and maybe make my mark as an engineer. I like to be creative and crafty and I am interested in those things."

MY MOTIVATION

"San Tan was an opportunity for me. Since coming from Mountain Pointe, I started liking all the coaches and the program. They help push me here. Coach Walker and Echols make sure that you are always involved - they never leave anyone out."

STUDENT SHOUT-OUT

"I would give a shout out to Xavier Johnson because he is so talented and yet he still stays very humble. He has inspired me to be my best and to always remember to stay humble."

HIGHLIGHTED iLEAD VALUE

"I focus on the San Tan Charter iLead **"Dedication"** value. I feel like the more I show up and the more work I put in the more I learn and will experience and grow from."

Should Your Kid Have a Cellphone in School?

The debate continues on about how much cell phone use should happen at school. Schools are across the nation are faced with the battle of cell phones interrupting the learning environment.

In the following article, the author believes that putting the phones away can improve a child's emotional well-being in school and help with their focus in and out of the classroom.
