August News

We are full being shared in school. Sports and other after school activities have started. It is absolutely wonderful to see our students and families on campus enjoying the community.

Next week will begin our annual paper drive. We will be having a contest to see who has printed their car using the most paper. Each year, this costs the school thousands of dollars. Our goal this year is to collect 1,000 reams of paper. If each student brought in 4 reams of paper, we would surpass our goal. When sending paper to the school, please make sure that the student's last printed teacher's name is written on the paper and they can turn it in directly to the office.

High school students at San Tan are required to have a school issued laptop. The technology fee and digital agreement must be turned in for students to be issued their laptops.

As always, thank you for enrolling us with your child and their education. I take it heart that you choose San Tan each and every day. Have an amazing week!

Tara Smith

ANNOUNCEMENTS

AP REMINDER

If your student is participating in one of our AP courses for this current school year, there is a fee of \$300 for each AP course they are enrolled in. For example, if your student is in both AP English Language and AP World History, your total cost would be \$600.

The dual AP course fee covers the cost of your student's required AP course materials for all AP students. It also includes any necessary course materials. You can use cash, check, or credit card to make payments. If you choose to pay with debit card, you can either call the front office and make payments over the phone or come in person.

All AP course payments are [due by Friday, September 6.](#)

DUAL ENROLLMENT REMINDER

After this school year, Chandler Union has moved to an online registration platform. In order to support schools with this change, Chandler Union will be on our campus to help with dual enrollment registration on Tuesday, August 27th. They will be on our campus between the hours of 10:00am to 2:00pm. [Click here to schedule a virtual enrollment with dual enrollment students.](#)
