STEMology Club: Intro to Coding and Circuits

Fridays from 3:45-4:45 p.m., Grades 1st-3rd Cost: \$225

Students will have a blast in this introductory coding and circuits class where they will learn key fundamentals of computer science and electrical engineering! Students will code using Scratch Jr. and Osmo and build circuits using Snap Circuits all while focusing on the Four C's: Creativity, Critical Thinking, communications and Collaboration. Families from Spring 2019 rated this class as a 10/10! "Knowing how to code will be as important as knowing how to read for jobs of the future" – Jeff Wilke, Amazon Chief Exec, Worldwide Consumer. For more info contact rachna@STEMology.club. Visit www.STEMology.club. Maximum number of students 12.

STEMology Club: FIRST Robotics Lego League Jr. (August 2019 – March 2020) Thursdays
from 3:45-4:45p.m., Grades 1st-3rd
Cost: \$350

What if you could build a better world? Where would you begin? Explore this question through this exciting Robotics class (no experience needed), where students will participate in the 2019-2020 FIRST Lego League Jr. Challenge (www.firstinspires.org) and showcase their work at a local Expo! This season's challenge is setting out to inspire citizens of the galaxy to work together and create a stronger, more sustainable future. Students will learn to use code, use critical thinking, real world problem solving skills, engineering design and specifically designed for this challenge Lego robotics kits. Fees cover robotics class instruction, engineering notebooks, team challenge registration fees (expo fees additional). For additional information please contact rachna@STEMology.club. Visit www.STEMology.club. Maximum number of students 12.

Thread and Needle Club

Mondays from 3:45-4:45p.m., Grades 3rd – 8th (2nd grade with teacher approval) Cost: \$100 **Starting on Sept. 9, last day Dec. 9.**

Thread and needle Club is a fun, creative club similar to sewing circle where we sew and enjoy each other's company while learning to follow instructions and basic embroidery and hand sewing stitches. The projects are class driven and can be easily adjusted to the level of each student. Projects will include different textiles such as fabric, yarn and felt. Your students will have the time to complete 4 projects if they attend classes and stay on task. Faster, more advanced students who complete all 4 projects will have the opportunity to make more. Make checks payable to STCS. Maximum number of students: 8-10.

Yoga and Mindfulness

Mondays and Thursdays from 3:45-4:30pm, Grades 5th – 8th Cost: \$40 (meets twice a week)

Join us! We will build a supportive community that promotes finding your bendy, twisty, relaxed self. Our focus on mindfulness and relaxation techniques will help you become stronger, more flexible, get better sleep, manage anxiety, and learn to navigate stressful situations without becoming overwhelmed. Make checks payable to STCS. Maximum number of students: 20.

Young Rembrandts

Fridays from 3:45-4:45 p.m., Grades K-5th

Cost: \$158 for 12 weeks pay in full or \$39.50 at registration and \$39.50 on 9/15, 10/15 and 11/5 using *EASY PAY OPTION*

NEW DRAWINGS! Our content is based on child-friendly subjects that open the imagination and stretch the mind. Young Rembrandts strives to inspire your child's imaginative spirit and boosts classic learning skills. ALL SUPPLIES INCLUDED. To register online go to <http://www.youngrembrandts.com/sephxaz/view-classes-enroll/> to use *EASY PAY OPTION* with Visa, MC, Discover or Debit only. Maximum number of students: 20.
