August News

At San Tan, we are currently working to provide opportunities for all students to become more involved in our community. We have had enough students and families express an interest in our sports program. If your child is interested in playing on our community sports team, please fill out the sign-in sheet on the left page and pick up a sports application in the front office.

We have started our annual paper drive. We will be having a contest to see what first period class can bring in the most paper. Each class, this week the school thousands of dollars. For your child to be eligible to win money or prizes, if each student brought in 4 sheets of paper, we would surpass our goal. When sending paper to the school, please make sure that the student's first period teacher's name is written on the paper and they can turn it in directly to the office.

Your lost and found items is getting full. Please remind your child to check lost and found if they are missing something. We remove all items every Friday and donate them to Goodwill.

I cannot express enough how much of a privilege it is to be a part of this school and how much you should be proud of your children.

We greatly love & appreciate!
