

Hello Everybody!

Hello Music Together Families,

It was a pleasure to have so many grandparents in music this week for Grandparents Day! One of the favorite songs we sang was, "One Little Owl" (Songbook p.19 Track A16.) Along with this song your child had a chance to play our Music Together resonator bells for the first time this year!

The resonator bells are not only fun and beautiful, but they also reinforce two pitches of a song's scale that are key for young children: the dominant - the "A" bell, and the resting tone - the "D" bell. Typically, the pitch that young children sing first and most often is the dominant and resting tone (the pitches on the bells!) If you would like to buy a similar set of bells to use at home, they are only \$15 through online. A Link is included in this email.

A big thank you to all the parents who came to celebrate International Peace Day with us. The children have been working all month to learn a song sung by Montessori Children around the world on peace day. The sang and did actions to the song:

"Light A Candle for Peace"

Light a candle for peace,
Light a candle for love,
Light a candle that shines,
All the way around the world.

Light a candle for me,
Light a candle for you,
That our wish for world peace,
Will one day come true

Sing Peace Around the World
Sing Peace Around the World
Sing Peace Around the World
Sing Peace Around the World

May peace be with you this weekend.

Musically Yours,

Karni Kerby
