

Hello preschool families,

In Outdoor Environment, we spent all of our time preparing for our ceremony for the International Day of Peace. We finished painting the pot, while the elementary students painted the peace pole.

If you want to learn more about International Day of Peace, please see this link:
internationaldayofpeace.org/

If you want to learn more about the significance and history of the Peace Pole, please see this link: <https://www.worldpeace.org/>

We also created and unveiled a beautiful peace dove canvas. All of the preschool students had the opportunity to use their thumbprints to help fill in the canvas, and we revealed the secret dove during the Peace Day festivities.

Thank you so much to all the parents who were able to join us, and to all of those who were there in spirit!

A huge thank you to all of our parent volunteers who dropped off plants, seeds, and soil, or donated their time and expertise to getting our fall garden planted. We are off to a great start this year! We could still use a few plant starts and seeds. Please check in with me if you would like to contribute. We can't wait to share a bountiful fall harvest with everyone!

There are only three weeks until we return from fall break to enjoy our Montessori garden and outdoor time every day. Let the countdown begin!

-Ms. Hubbard
