September News

Our second week of September was filled with excitement as we had our first home football game and we had our second annual 50/50 fundraiser. The students had thought of things into the day and why we reflect on the tragedy of 9/11.

We know that we have 1000 talented highly motivated students who are ready to learn. Students who are looking for programs, or need a little extra help are encouraged to attend. Mr. Newton and his assistants are excited to share their knowledge and ideas for the students who are academically successful. **Spots is limited to the first 10 students who arrive.** Learning starts promptly at 8:00am.

San Tan will have its first annual spirit parade taking place in front of the Power Campus on Friday, September 20th. Please come out and see the wonderful floats that the students have been designing.

Look your calendar and scheduled student is coming all week. The events are on 50/50, some high to high school and high school is then 10:00am. It is a whole lot of fun. Your students will have to miss out.

Are you interested in sharing your culture with our students? Our annual cultural fair is the first week of November, and we would love for families to share their family culture with us. If you are interested, please email Mrs. Thomas at rmthomas@sanatan.org.

We grow to be a community
