September News

Our second week of September was filled with excitement as we had our first home Football game and we had our second annual 9/11 Remembrance. The students had thoughtful insights into the day and why we reflect on the tragedy of 9/11.

Did you know that we have FREE tutoring every morning before school in room 502? Students who are missing assignments, or need a little extra help are encouraged to attend. Mr. Newton and his assistants are excited to share their knowledge and time for the students to be more academically successful. **Space is limited to the first 30 students who arrive.** Tutoring starts promptly at 7:30AM.

San Tan will have it's first annual HOMECOMING PARADE in front of the Recker Campus at 10AM on Friday, September 20th. Please come out and see the wonderful floats that the students have been decorating.

Mark your calendars HOMECOMING DANCE is coming up soon! The dances are on 9/21. Junior High is from 4-6PM AND High School is from 7-10PM. It is sure to be a lot of fun! Your kiddos won't want to miss out!

Are you interested in sharing your culture with our students? Our annual Cultural Fair is the first week of November, and we would love for families to share their family culture with us. If you are interested, please email Mrs. Tischer at mtischer@santancs.com.

It's great to be a Roadrunner!

FUTURE DREAMS

Mainly I plan to go to college. I either was to become a pediatrician or surgeon. Perhaps, a nurse--I definitely want to be in the medical field.

MY MOTIVATION

Ms. Taylor has been helping me from day one when I started in first grade. Mrs. Armstrong and Mr. Armstrong have always been there -- they helped me with handling my dyslexia and showing me that "I can".

I've had a lot of people helping me along the way, telling me that "I am" and "I can". I have a lot of friends and family and good teachers who've helped me.

STUDENT SHOUT OUT

There's definitely a lot of people in my friend group who are great. I would say Isabella Bova or Anna Sutherland have helped me through things. They are both very supportive and ridiculously funny (they don't know how not to be funny).

HIGHLIGHTED iLEAD VALUE

Dedication -- I don't really know why this is my most important -- it is just how I live.
