September News

Wow! What a week last week was. I am extremely privileged to work with such a magnificent student body! The school spirit all week was amazing. I will say that in all of my years of education, I have never had such a wonderful Homecoming Friday. From the parade, to the International Day of Peace, to the Pep Rally, to the Game, to the dances—it was simply outstanding!

Did you know that we have FREE tutoring every morning before school in room 502? Students who are missing assignments, or need a little extra help are encouraged to attend. Mr. Newton and his assistants are excited to share their knowledge and time for the students to be more academically successful. **Space is limited to the first 30 students who arrive.** Tutoring starts promptly at 7:30AM.

Are you interested in sharing your culture with our students? Our annual Cultural Fair is the first week of November, and we would love for families to share their family culture with us. If you are interested, please email Mrs. Tischer at mtischer@santancs.com.

At San Tan, we host four parent teacher conferences a year. Your student has written their individual learning plan for the quarter and you will be able to meet with the teachers to discuss their goals. Please follow the link to sign up!

The \$120 AP course fee covers the end of year exam that is required by The Collegeboard for all AP students; it also includes any necessary course materials. You can use cash, check, or credit card to make payment. If you choose to pay with credit card, you can either call the front office and make payment over the phone or come in person.

FUTURE DREAMS

Go to college -- I hope to finish in four years and try and make it to the NBA. My favorite team is the Thunder and favorite NBA player is Kobe Bryant.

MY MOTIVATION

Coach Freeman is all about work ethic. He has pushed me in a good way on and off the court. He helps me improve and become a better leader. It's been going good. I've made friends and everything very easily along the way and feel that I've improved.

MY MOTIVATION Cont.

My family motivates me. My family motivates me the most. With me seeing them only a few days out of the week, it keeps me motivated. It's pretty tough not always seeing my family. So it's been difficult yet also motivating not seeing them.

STUDENT SHOUT OUT

I would give a shout out to Demetrus Johnson (D2) . He's been there for me since 7th grade when I met him at a basketball tournament. His personality, funny jokes, he's just been there for me.

HIGHLIGHTED iLEAD VALUE

Love -- I like to be there for people in their hard times. I like to help them and give them motivation to help themselves through things and to always be there for them.
