September News

We have certainly had a fantastic first month of school! It's been incredibly busy, but the progress the students have made in just a few short weeks has been astounding. Students have settled into their classes and have been working hard at the business of learning!

In addition to engaging learning, I expect that your children will experience inner growth with more self-direction and a greater understanding of what it means to be a self directed learner. Nothing could be more precious or more worthy than our collective attention to your children. We know that you have many choices, and cherish that you choose San Tan each and every day.

September is always one of the most fun months of school. With Friday Night Games starting and our volleyball and flag football games already in flight, it really starts to feel like the community is enjoying all that we have to offer at San Tan. Be sure to mark your calendars for the Homecoming activities. Each grade is sponsoring a float for homecoming. If you have a trailer, truck, or convertible you would like to allow us to use, please let me know. If you have amazing float making capabilities, I know that the students and teachers would appreciate it more than you know!

It's great to be a Roadrunner!

FUTURE DREAMS

I hope to play basketball overseas in the European League.

MY MOTIVATION

Mr. Hermann because he always pushes me in class to give my best. Also, Coach Freeman helps in practice everyday. He has given me a path for the future.

I just remembers the overall picture and that everything go through now is part of the journey. When I've had to fight through uncomfortable situations, I just keep pushing and I've come out better on the other side.

STUDENT SHOUT OUT

My boy Eli Vargas deserves a shout out because he works hard and I always have to keep up with him. We push each other.

HIGHLIGHTED ILEAD VALUE

I think love. Creating relationships and making everyone feel loved and appreciated is the best way to go about things.

FLAG ADOPTION

Our San Tan Power Campus is looking for Patriotic Families that would like to adopt a Flag for our 2019-2020 Academic year. The adopted flag will be flown in front of our Power Campus for all Patriotic holidays with your family's name on it. Your families will be recognized at our Patriotic events as outstanding Americans.

Adoption Fee: \$30 (Paid to the front office)
