WE LOVE GRANDPARENTS!

At San Tan we know how important grandparents are in the life of our students. We know that often it is grandparents that pass down to our students the family culture, history and stories. We would love to meet you and for you to join us at our 2019 Multicultural Fair to share your family's "walk a mile in my shoes" traditional stories, food, artifacts and clothing.

Each year at San Tan we are thrilled to welcome students and families from cultures across the globe. We are committed to honoring and celebrating each student's identity and family heritage every day of the year and especially on this special day of celebration. **Lets do it again!**
