## October News

Fall is officially here! The weather is cool and Fall Break is just around the corner. As we start to prepare for the second quarter, please know that Attendance Matters! We know that life is hectic and mornings are difficult, for sure! Please make every effort to encourage your child to be to school every day, on time. Please also remember to call the attendance line to excuse your child's absence when they are ill.

Don't miss out! Yearbooks are available to pre-purchase at <https://www.yearbookordercenter.com/index.cfm/job/17675>

**Did you know that we have FREE tutoring every morning before school in room 502?** Students who are missing assignments, or need a little extra help are encouraged to attend. Mr. Newton and his assistants are excited to share their knowledge and time for the students to be more academically successful. **Space is limited to the first 30 students who arrive.** Tutoring starts promptly at 7:30AM.

At San Tan, we host four parent teacher conferences a year. Your student has written their individual learning plan for the quarter and you will be able to meet with the teachers to discuss their goals. Please follow the link to sign up!

## RoadRunner Recognition

#### FUTURE DREAMS

I want to go to college. I would like to do something in the medical field. I like to help people, so I think that would be a great career.

#### MY MOTIVATION

Ms. Tischer is a great teacher who motivates me to be a better student. Also, the swim team or other sports I participate in motivates me because I get the rewards and it helps me with things I am struggling at doing.

#### MY MOTIVATION Cont.

I say to myself, you can do this. In the end, you are going to feel good when you finish. I have different things like swimming and sports or going out and playing with my brother that helps let me know I can do things.

#### STUDENT SHOUT OUT

Emma van Rijn. She has been like a big sister to me. She looks out for me and is always there when I need her. I've never really had that sisterly love and I get that from Emma.

#### HIGHLIGHTED iLEAD VALUE

I would say **dedication** and **accountability**. You have to be dedicated to actually love something. If you're not dedicated, then why do it. Accountability is also important because people need to take responsibility for their actions -- good or bad. If they don't have accountability, then it makes them look bad. They need to take responsibility for what they do.
