October News

What an amazing week we had last week. The kids didn't skip a beat and we are already back to normal routines after break. Fall is always a busy time of year as we head into holiday season. I don't know about your family, but fall is our favorite time. It is finally cool enough to do the great things outdoors that we enjoy and we start anticipating the season coming up where we will spend extra time with friends and family.

At San Tan we do not celebrate Halloween and Holidays at school with no Halloween activities, costumes or candy during school.

Did you know that we have FREE tutoring every morning before school in room 502? Students who are missing assignments, or need a little extra help are encouraged to attend. Mr. Newton and his assistants are excited to share their knowledge and time for the students to be more academically successful. **Space is limited to the first 30 students who arrive.** Tutoring starts promptly at 7:30AM.

San Tan Power Campus is hosting it's annual Cultural Fair. The students have been working hard to prepare to share their cultural projects.

The Cultural Fair gives us an opportunity to share culture and traditions with our students and families. We are so excited to listen, learn, explore and enjoy the rich cultural and family histories at San Tan! This year our Cultural Fair is scheduled for Thursday, November 7, 2019! **WE NEED YOU!** We hope that you will join us in celebrating your family's culture through music, art, artifacts, and food as we learn about our grandparents history, community, and culture! If you are interested in sharing, please email me directly at marmstrong@santancs.com

FUTURE DREAMS

After high school, I want to go to college and attend culinary school. I would eventually like to own and operate my own bakery.

MY MOTIVATION

Mr. Laramie has motivated me because he always enjoyed the food that I made in culinary class that I would bring him. Mrs. Filimaua because she taught me culinary for the first time.

MY MOTIVATION Cont.

I tell myself positive thoughts and I write myself positive affirmations so when I am in a challenging time, I look back and read my affirmations.

STUDENT SHOUT OUT

Tessa Kowalczyk. Tessa is always there for me and she always comforts and motivates me.

HIGHLIGHTED ILEAD VALUE

Either Love or Dedication. With love you have to be able to love what you are doing and all those around you. Dedication because you have to put in the hard work for what you want and achieving that is your reward for being dedicated.

Ghosts, goblins and ghouls. Nothing sums up Halloween better than a good old fashioned Haunted House.

The scary season has arrived. The nights are growing longer and there is a definite chill in the air.

Are you crazy for Halloween? Looking for good clean fun with your friends? Do you enjoy getting a little fright? If so, San Tan can help you out! Stop by the Haunted House on October 29, 20 or November 1st from 6PM-9PM. The price is \$5 per person. Are you up to getting a fun fright?

Spread the word and have fun at the annual Haunted House!
