November News

It's been a rainy day at San Tan and it is expected to be for the next few days. Please remind students to wear jackets and closed toe shoes.

In the coming weeks students will be preparing for our MAP testing and final exams. Please mark your calendars for 12/2-13 for MAP testing and 12/16 & 17 for final exams. ALL classes take final exams.

Our annual Jr. High Classroom Spelling Bees will be the week of December 18th. Please check with your child's Language Arts teacher for more information.

Please mark you calendars for our upcoming Charlie Brown Thanksgiving on 11/27. It's a wonderful tradition that the students really enjoy. We will be hosting our annual Thanksgiving feast put on by our Culinary Department. If you would like to donate food to feed our students, please follow the link to sign up: <https://www.signupgenius.com/go/20f0f4fa4a629a5ff2-charlie>

We hope that you will join us for our time together.

Did you know that we have FREE tutoring every morning before school in room 502? Students who are missing assignments, or need a little extra help are encouraged to attend. Mr. Newton and his assistants are excited to share their knowledge and time for the students to be more academically successful. **Space is limited to the first 30 students who arrive.** Tutoring starts promptly

Ms. Armstrong

ANNOUNCEMENTS

Congratulations!!

Congratulations to all of our Fall Sports programs and our MathLetes. They represented San Tan and themselves amazingly this fall. I cannot wait to see the great things they do in their next seasons.

Upcoming Important Items

The end of the semester is really just right around the corner. November and December are always a quick time of year. Students will be working on their ILP's, ePortfolios, preparing for final exams and MAP Testing. Please note that the final day to turn in any assignments for the semester is 4PM on December 20th. No assignments will be accepted after this time as final grades must be entered and official grades posted.

NJHS/NHS

Students with a 3.75 GPA or higher for the first quarter will be invited to apply for NJHS or NHS. The applications will be mailed home this week. Please be on the lookout.

In order for an application to be considered for membership, it must be returned to the front office by 12/11 at 4PM. **No Late Applications or incomplete will be accepted.**

Please mark your calendars as the induction ceremony will be held on 1/8 at 6PM in the Ancillary Gymnasium.

RoadRunner Recognition

FUTURE DREAMS

After I have graduated, I plan on going to college and receiving the best education I possibly can. Above all things, I wish to find the thing in life which I am passionate about and to work as hard as I can, using the education that I have received here, in that area to make the world a better place.

MY MOTIVATION

I appreciate so much of the staff here at our school, in particular, I would like to give my thanks to Mr. Hermann and Mrs. Freeman, who have put so much effort into their teachings over the years.

MY MOTIVATION Cont.

Each has a passion for their subject which always inspired me. I also harbor a great appreciation for all of our staff and admin, who put so much effort into making our school as great as it is. Program wise, I would like to highlight our San Tan Charter School Volleyball and Odyssey of the Mind teams, both of which had an overwhelmingly positive and familial atmosphere.

Whenever I am faced with challenges or adversity, I always think of the goal I have ahead, and this makes me all the more determined to reach it.

STUDENT SHOUT OUT

I would like to give a shout to Elsie Davis, who always finds a way to be nice to people and radiates an ongoing feeling of positivity and encouragement.

HIGHLIGHTED iLEAD VALUE

Of all the values of iLEAD, I most value dedication. The ability of someone to persevere, despite their stress, fear, or anything else standing in their way is always inspiring to me.

CANNED FOOD DRIVE

Our Student Council is hosting our annual canned food drive. Please consider donating non-perishable food items. There will be a box in each of the classrooms and the third period with the most items collected will be awarded.

Mrs. Kovach's class seems to win all of the contests, so I know there are some classrooms that are looking to win this competition!

SCIENCE FAIR/STEMFest

Our annual Science Fair and STEMfest is being planned and our students are already hard at work choosing their projects. Some upcoming due dates:

Science Fair / STEM Festival Choice due 11/6.

Students will need to choose between the Science Fair & STEM Festival by 11/6/19.

Visit your One-Stop Shop for all things Science and STEM that you need to know!
