December News

As we enter into December and close December, I wanted to share more thankful news from last week.

Mr. Newton:

I am thankful for all the wonderful staff we have at this school. The people make all the difference!

Mr. Ray:

I am thankful to be at a place where it feels like a family.

Ms. Warren:

All the help and love I have received since joining this family

Ms. Kovach:

I am thankful for the students, I could not imagine my life without them.

Mr. Walker:

Thankful that San Tan believes in my ability to teach, coach, mentor and lead and continues to give me opportunities to lead by example to help grow greatness here at San Tan Charter School.

Ms. Madigan:

I am thankful to work with such amazing people.

Ms. Gray:

I am thankful to work with such amazing people.

It's great to be a Roadrunner!

Mrs. Armstrong

ANNOUNCEMENTS

STCS Nutrition & Nut Policy

As a friendly reminder, San Tan is a Nut Free Campus. We have quite a few students on campus that are severely allergic to nuts. You can find the San Tan Nutrition Policy here for your review: https://santancharterschool.com/wp-content/uploads/2019/10/nutrition_allergy_policy-stcs.pdf

Upcoming Important Items

The end of the semester is really just right around the corner. November and December are always a quick time of year. Students will be working on their ILP's, ePortfolios, preparing for final exams and MAP Testing. Please note that the final day to turn in any assignments for the semester is 4PM on December 19th. No assignments will be accepted after this time as final grades must be entered and official grades posted.

NJHS/NHS

Students with a 3.75 GPA or higher for the first quarter will be invited to apply for NJHS or NHS. The applications will be mailed home this week. Please be on the lookout.

In order for an application to be considered for membership, it must be returned to the front office by 12/11 at 4PM. **No Late Applications or incomplete will be accepted.**

Please mark your calendars as the induction ceremony will be held on 1/8 at 6PM in the Ancillary Gymnasium.

FUTURE DREAMS

My immediate plans after high school are to enter a university and get a degree in mathematics and/or economics. My dream for life is to raise and support a family and see them grow up to be better than myself.

MY MOTIVATION

The San Tan staff member that has motivated me the most has to be Mr. Hermann because he told me how I could apply my skills in math to the real world. I wasn't always accepting of math as a profession but he has shown me the practicality of being a mathematician.

MY MOTIVATION Cont.

I stay motivated by my willpower to live through life and to experience everything it has to offer. I wouldn't be able to live life if I lost motivation in it.

STUDENT SHOUT OUT

I would give a "shout out" to Aaron Nair because he is a kind soul that also serves as the moral compass of our friend group. He is always respectful and responsible and has an outstanding work ethic.

HIGHLIGHTED iLEAD VALUE

The most important iLead value to me is integrity because I believe that you should have the morals you think are essential to being a good person. You need determination, willpower, and self-discipline to be a stable and reliable person. You should be the best version of yourself you want to be.

Please give and forward links to friends and family that live in Arizona and ask them to give to support our wonderful school community. It makes a difference!

The public school tax credit program is the perfect way to give and support San Tan's K-12 Charter School specials programs. The program is a win/win for everyone. The best part is whatever you contribute, you will receive

dollar for dollar back on your state taxes. So, if you give \$100, you can deduct that \$100 off what you owe in taxes. If you are a married couple, you may only contribute up to \$400. If you are single, the total amount that you can contribute is \$200. A one-time contribution is also wonderful.
