Student Name:	DOB:	Age:
San Tan Montessori Private Preschool brings in programs which ali	gn with Dr. Maria Montessori	's philosophy and vision.
The Music Together™ program and our Outdoor Environment experiences provide learning extensions		
and multi-sensorial experiences inside and outside of the classroom	n.	
Program Annual Fee: \$200 due at Registration		
Music Together™		
The Music Together™ Preschool program certified specialist provide	les children with a weekly opp	portunity to learn music
in developmentally appropriate ways. Recordings, songbooks, and	teaching materials are provid	ded to each classroom.
Music Together™ materials allow children to "bring the music home." CD sets, music books, and supporting materials		
are sent home for parent-child musical play, sharing the songs and activities experienced in school.		
Outdoor Environment		
Our Outdoor Environment activities enable our students to strengthen their connection with Nature and our community		
through ongoing exploration of the seasons, gardening, tending to the Montessori Hens, as well as flexibility to bring		
classwork outside. Science work is explored through various projects including studying plant growth patterns inside		
through our tower gardens vs. outside gardening. Students enjoy harvesting, prepping, and eating what they have		
grown.
