December News

MAP testing is almost complete and Final Exams are almost done! The kids have been working hard. We have our preliminary data in from MAP testing and our scores are incredible! I would like to give a shout out to our Junior High students and teachers. In reading, the junior high had a 170% growth increase. In math, they had a 132% growth increase. This is outstanding growth numbers. We are thrilled and excited to see how hard these kiddos are working.

San Tan Charter School is excited to partner with the 5th Annual Eastmark Parkway Color Run and many other schools in our area- a portion of the Proceeds will directly benefit for all who participate and all who donate. If you would like to volunteer at the event, please contact bheller@santancs.com

FUTURE DREAMS

My future dreams and aspirations are to obtain a higher education and become a Physician Assistant.

MY MOTIVATION

Coach Freeman has been a huge influence. He has supported me on and off the court with basketball, and how to be a better young man.

When I'm faced with challenges, I turn to my mom and dad as their advice is always on point and coming from a place of love and truth.

STUDENT SHOUT OUT

I would love to give a Shout-Out to my little sister Cynthia. I know I'm one of her role models and in knowing that, it pushes me to be the best me possible.

HIGHLIGHTED iLEAD VALUE

The San Tan iLead value that is the most important to me is Dedication because in order to compete a task one needs to put their best foot forward and I try to do that in every aspect of my life.

Please give and forward links to friends and family that live in Arizona and ask them to give to support our wonderful school community. It makes a difference!

The public school tax credit program is the perfect way to give and support San Tan's K-12 Charter School specials programs. The program is a win/win for everyone. The best part is whatever you contribute, you will receive

dollar for dollar back on your state taxes. So, if you give \$100, you can deduct that \$100 off what you owe in taxes. If you are a married couple, you may only contribute up to \$400. If you are single, the total amount that you can contribute is \$200. A one-time contribution is also wonderful.
