

CONFIRM YOUR SPOT TODAY FOR THE 2020 – 2021 SCHOOL YEAR

Our Montessori Preschool will serve ages 3 weeks through 4 years within our Infant, Toddlers, and Primary classrooms.

Enrollment is now open to our existing families for the 2020-2021 school year. By updating and verifying your information your student will be confirmed enrolled for the new school year. This information will allow us to accurately assess the staffing and resource needs for the 2020-2021 school year.

As a benefit to our existing families, once you've confirmed your existing student(s) within Infinite Campus, you will be able to enroll a new sibling. You will be contacted by either the Preschool or Charter School based on the status entering grade, as new student enrollment differs slightly.

- If you are adding an additional Preschool student, Ms. Mike will be in contact.
- If you are adding a non-preschool age student, the San Tan Charter School Registrar will be in contact to confirm the new sibling and provide you the document needs.
