After School Clubs

Frequently Asked Questions

How do I register my student for a club?
We will need the club registration form and payment for all clubs that are "internal". To know if it is an "internal" club please refer to club catalog and it will note "Please make payment to SES."

Can I register my student for a club after the club fair night?
Yes. Please see the front desk for availability. If the club lists a community partner/vendor please contact them directly.

How will I know who is running a club?
Our clubs are run by our staff and outside community partners. We partner with outside community members to help give more variety and offer new experiences to our students. Please refer to the club catalog to find out who the teacher or community partner/vendor will be.

Do I need to pick my student up at their release time from class and bring them back for their club?
No. We have all students who have a club go to our cafeteria until their club starts. The club sponsor will pick them up from the cafeteria and take them to the classroom or designated outside area.

How do I pick my student up from their club?
Each student will be brought to either lane at the end of the club. Please wait for your teacher to bring your student out. Any student who is going to aftercare will be dropped off in aftercare first. Those children who attend a club on the back field such as Soccer Shots or BEST Sports, parents can enter through the outside gate only, to pick up their child. Those children from the back fields who attend aftercare will be taken by the teacher or club representative to designated aftercare room.

How do I know the ending time the club?
Most of our clubs end at 4:30 pm or 4:45 pm. Please refer to the club catalog as each club may be different.

What are the dates the clubs begin and end?
Our Fall clubs begin typically by the last week of August or first week of September and end the beginning of December. Our Spring clubs begin typically the last week of January and end the beginning of May. There are some clubs that run for a shorter session during the Fall or Spring session so please make sure to refer to club catalog. Please refer to our online calendar on our website for specific dates each school year.

Do I need to register each semester for a club?
Yes, our clubs run by semester. We will hold a club registration fair in Fall and Spring of each school year. Some clubs run the entire year, or through March and do not require another sign up, such as Odyssey of the Mind.

Are there clubs on half days?
No, there are no clubs on half days.
