

Greetings Families!

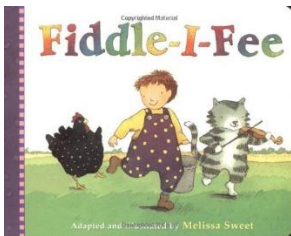

Week of June 22th – June 26th

This week we've been talking about ancient Greece. We read a book that told us all about what it would be like to be a child in ancient Greece, and we watched an educational video about ancient Greece.

For music, we learned the song, "Fiddle-I-Fee."

On Monday, we had a special guest who brought many different live reptiles for us to learn about and even touch! We had such a good time!

For art, we created our very own Grecian urns. We had so much fun making them colorful!

As always, we were very busy during our morning work period this week trying out a lot of new works. t It was an enjoyable and productive part of our day!

We had a great week in our class, and we can't wait to see what's in store for us in the weeks to come.

Sincerely,

Ms. Sein
