

Greetings Families!

Week of June 8<sup>th</sup> – June 12<sup>th</sup>

This week we learned about the ocean. We read the book, *Under the Sea*, which helped us learn about different types of animals we would see in the ocean.

For music, we sang "Baby Beluga" to fit in with our ocean theme, and "There's a Hole in the Bucket." We loved both these songs. We thought "There's a Hole in the Bucket" was very silly.

For art this week, we created our own sea-scape. We loved being able to paint and place the items we painted in our sea-scape.

We also went to a magic show! It was so much fun! We laughed a ton! The magician was so funny. There was even a real live rabbit that was part of the show!

Another very exciting thing that happened this week was that some butterflies finally emerged from their chrysalises. We had a great time releasing them!

We also did plenty of work during our morning work period.

We had a wonderful week in our classroom, and we can't wait to see what the rest of summer brings us! One thing's for sure...there'll be more butterflies!

I hope you have a wonderful weekend!

Sincerely,

Ms. Sein
