

Greetings Families!

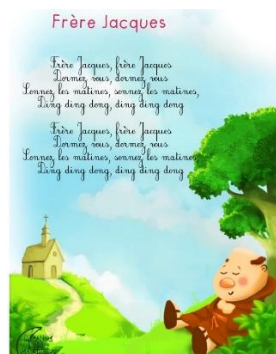

Week of June 15th – June 19th

This week we've been talking about Paris, France. We read a book that told us all about what it was like in Paris called *This is Paris*, and we read two books about a little girl from Paris named Madeline. We also took a virtual

For music, we learned the French song, "Frère Jacques," and we learned what it means in English.

On Monday, we had the amazing opportunity to meet Moana! She told us the story of her adventures, and even danced with us. It was a great time!

We also created artwork for our dads this week in preparation for Father's Day on Sunday! We really hope our dads enjoy their art from us!

As usual, we were very busy during our morning work period this week. This time has been so productive for us! We are gaining so many new skills from the work we choose to do during this time.

It has been such a wonderful week in our class, and we are looking forward to what lies ahead this summer. Have a great weekend!

Sincerely,

Ms. Sein
