Christopher the Magician

6-9: Cooks In the Kitchen

6-10: Art Class

6-11: Sports with Amazing
Athletes

6-12: Fun Friday

REMINDERS

Snack calendars are included below! Please find your class to see your snack day.

This week in...

Toddler Camp

This week in the toddler classroom we worked with our outdoor environment. We took care to water our garden and talked about the plants that we have growing in the garden: tomatoes, squash, and potatoes. We practiced filling up our water cans and holding the hose over the plants! We had time to use our outdoor instruments and look at rocks with a magnifying glass.

Primary Camp

This week we learned about the lifecycle of a butterfly. We read a book about the Butterfly's Lifecycle, and we have been observing the caterpillars and chrysalises in our butterfly garden. We will be so excited when the butterflies emerge from the chrysalises! We also completed a butterfly art project.

Elementary Camp

This week we embarked on our first adventure to the lost kingdom. We started the week off by playing ice breaker games/ get to know each other, classroom rules, organized the class into their "Tribe" for the summer to work in groups and teams, and games.
