

Distance Learning Plan for Charter Schools

On June 24, 2020, Governor Ducey issued Executive Order 2020-41 *Prioritizing Kids and Schools During COVID-19* regarding the reopening of schools for school year 2020-2021. As part of the Executive Order, all public schools may submit a Distance Learning Plan (DLP) to receive the flexibility to offer distance learning options for students without an approved Arizona Online Instruction (AOI) program for the 2020-2021 school year. Charter schools are required to submit a DLP to the Arizona State Board for Charter Schools (ASBCS) prior to implementing distance learning. Charter schools may begin operating their DLP upon submission of the plan to ASBCS.

Charters may make revisions to improve their DLP at any time, but must submit those changes to the ASBCS within 10 business days of any substantive revision. Charters should contact their assigned Education Program Manager at the ASBCS to revise their DLP.

Instructions

A charter holder that wishes to provide distance learning under Executive Order 2020-41 must create a DLP using this template, provided by the ASBCS. Charter holders not utilizing the appropriate template will be required to revise and resubmit their plans. The template is a Word document that must be completed in its entirety and uploaded to a Google Drive, as specified in communications from ASBCS and each charter holder's assigned Education Program Manager.

In the sections found on pages 3-5, a charter holder will populate background information regarding charter holder and school information, including basic information about each charter holder's overall plan and intended number of instructional days.

Most areas of the DLP will be completed by breaking processes into discreet, sequential action steps that answer the questions of what, who, when, and how. The action steps require the charter holder to name the action, indicate who is responsible for the action, provide the frequency and/or timing of the action, and identify what evidence will exist to show that the step has been/is being completed. Areas should include multiple action steps in order to demonstrate that the charter holder has a "detailed plan" to "provide substantive distance learning", as required by the Executive Order. An example of a set of action steps for an area is below:
