

Greetings Families!

Week of July 13th – July 17th

This week we've been talking about camping. We read a book that gave us lots of information about it called *When We Go Camping*, especially about the different things we can do when we go camping. We also really enjoyed the beautiful illustrations in this book.

For music, we came back to our song, "Fiddle-I-Fee." We really enjoy singing this song and trying to remember the order in which the farm animals appear and the sounds they all make.

For art, we colored a campsite scene. We enjoyed using the crayons and deciding which colors to use for the different parts of the picture.

We stayed very busy during our morning work period this week. We love the opportunity to engage in work of our choosing. It's such a valuable part of our day.

It was another great week in our class, and we're all looking forward to what next week will bring! Have a wonderful weekend.

Sincerely,

Ms. Sein and Ms. Smith
