

## Welcome to San Francisco State

Consider the following online application as a first step to ensure your path to the 2025-2026 school year.

- San Francisco State will accept students from our three neighboring Traditional, College, and Maritime School Districts based on  $2^{nd}$  -  $12^{th}$  student with traditional and Mariner Anywhere applicants.

As a new family, please consider the [San Francisco State Application](#) online form as we lead you through the steps. You will receive a program and admissions packet [online here](#).

Following the completion of your online application and interview, you will receive an email letter to enter. You will need this letter for our admission application. The admission document can be submitted by email and paper options. Next is reviewing the admission form, area, and complete application form. Forms are either PDF, email and paper.
