

Exemption Form

Face Covering

Children face coverings that correctly reduce risk (filtering) under the school or two educational face face
face mask requirements for students' masks

Exemptions are applicable under the following circumstances:

1. The individual has a medical or behavioral condition or disability and use of such is face covering
2. Absence of face mask (covering, or its destruction or impairment, or its otherwise unable to put on or remove the face covering without assistance)

Exemption Section

Use this form to request a face covering exemption to reduce the spread of COVID-19. However, the face covering exemption guarantee does not prevent school from enforcing school safety policies. The school cannot be responsible for your student's behavior with face covering a face covering.
