

In an effort to help virtual field testing go smoothly next week, please take a moment with your class to go through the following "readiness" items to ensure testing is "seamless" another next week. - -)

The **"Prior to Test Day"** steps will ensure that your class is able to complete the test. Please be sure to complete the practice test with your class before testing.

The 2 most common errors are **screen resolution** and **pop-up blocker** **before** testing begins on Thursday morning. It will make everyone's life be better if the children are "technically" ready to go.

Feel free to pass this information to your classes and have them do it as an assignment if it helps. - -)

Test Preparation

Prior to Test Day

1. Make sure your device has an Internet connection
2. Double pop-up blocking on your Internet browser
3. Make sure your device meets testing requirements using the ["Readiness Tool"](#)
4. Make sure your child has headphones
5. Watch the MPF Growth ["Introduction video"](#)
6. Practice the test at [practice.mpsystems.org](#) (username: gms, Password: gms)

On Test Day

1. Minimize distractions for your child as much as possible
2. Provide a quiet testing environment
3. Allow the teacher/parent to open the student log
4. Log in at [test.mpsystems.org](#)
5. Make sure you have a way to communicate with the teacher/parent during the test
6. Follow any additional instructions from the teacher/parent

iPads

Prior to Test Day (iPads)

1. Make sure your iPad has an Internet connection
2. Make sure your iPad meets testing requirements using the ["Readiness Tool"](#)
3. Make sure the MPF Secure Testing app is installed on your iPad
4. Make sure your child has headphones
5. Watch the MPF Growth ["Introduction video"](#)
6. Practice the test at [practice.mpsystems.org](#) (username: gms, Password: gms)

On Test Day

1. Minimize distractions for your child as much as possible
2. Provide a quiet testing environment
3. Allow the teacher/parent to open the student log
4. Make sure you have a way to communicate with the teacher/parent during the test
5. Follow any additional instructions from the teacher/parent
