

After School Clubs

Frequently Asked Questions

How do I register my student for a club?

Fall 2020 club registration is virtual. See the club catalog for registration and payment links.

How will I know who is running a club?

Our clubs are run by our staff and outside community partners. We partner with outside community members to help give more variety and offer new experiences to our students. Please refer to the club catalog to find out who the teacher or community partner/vendor will be.

Do I need to pick my student up at their release time from class and bring them back for their club? No.

We have all students who have a club go from their classroom to the classroom the club is being held in.

How do I pick my student up from their club?

Each student will be brought to drive lane at the end of the club. Please wait for your teacher to bring your student out. Any student who is going to aftercare will be dropped off in aftercare first.

How do I know the ending time the club?

Most of our clubs end at 4:00 pm or 4:15 pm. Please refer to the club catalog as each club may be different.

What are the dates the clubs begin and end?

Our Fall clubs begin typically by the last week of August or first week of September and end the beginning of December. Our Spring clubs begin typically the last week of January and end the beginning of May. There are some clubs that run for a shorter session during the Fall or Spring session so please make sure to refer to club catalog. Please refer to our online calendar on our website for specific dates each school year.

***This year, our Fall clubs are scheduled to begin after the Fall break on October 13th. We are anticipating our Spring clubs to run on their typical schedule. Please note, this could be subject to change depending on COVID-19 updates.**

Do I need to register each semester for a club?

Yes, our clubs run by semester. We will hold club registration in Fall and Spring of each school year. Some clubs run the entire year, or through March and do not require another sign up, such as Odyssey of the Mind.

Are there clubs on half days?

No, there are no clubs on half days.
