

Guidelines to Determine Eligible Students

The Kansas Department of Education provides the following K-12 income guidelines for determining a family's information for federal funding associated with programs funded under the Elementary and Secondary Education Act (ESEA).

Is your family at or below the current income guidelines for the attached **WIA Eligibility Guidelines** checked?

Indicator 1

Indicator 2

No

Definition of income: all forms such as wages and salaries before deductions, and other income, such as self-employment, welfare, social security, retirement benefits, unemployment compensation, workers' compensation, and the Supplemental Nutrition Assistance Program, but excludes income from assets or virtually passively etc.

If your family qualifies, please complete the following information for each child:

Child Name	Year of School	Grade
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

I hereby certify that all of the above information is true and correct:

Parent/Guardian Signature: _____

Date: _____

NOTE: These income limits should be obtained by the school or local authority, or the Department of Education.
