

CONFIRM YOUR SPOT TODAY FOR THE 2023 – 2024 SCHOOL YEAR

Our Recker Campus serves our K-6 population with an option of Mainstream, Montessori, or Gifted classroom options. Our Power Campus serves our 7th – 12th grade students.

Enrollment is now open to our existing families for the 2023-2024 school year. Update the following required information by January 31, 2023. By updating and verifying your information by the deadline your student will be confirmed enrolled for the new school year. This information will allow us to accurately assess the staffing and resource needs of each campus for the 2023-2024 school year.

Should we reach capacity at either campus this information will determine whether a lottery is necessary. Failure to confirm your spot could result in your student being waitlisted for next year. Deadline: Monday, January 31, 2023.

As a benefit to our existing families, once you've confirmed your existing student(s) within Infinite Campus, you will be able to enroll a new sibling.

If you are adding a sibling this year you will want to have some documents ready as you will be required to upload them before you are able to move forward in the application.

- Birth Certificate
- Proof of Residency
- Immunization Records (exemption form available in application)
- IEP/504/Gifted Score Documents (if applicable)

If you have questions or need assistance with re-enrollment and/or the parent portal please feel free to reach out to Christine Gray, cgray@santancs.com, or Sydney Burdeno at sburdeno@santancs.com.
